EXTEND YOUR REACH
WITH SPONSORSHIP OPPORTUNITIES

Exhibitors at the ACFAS Annual Scientific Conference can stand out even more by sponsoring one of the many opportunities available in 2024. Reach a targeted audience based on their specific area of interest. Sponsorships are available of all types and at all price points, including:

- Educational Grants 8
- DEI Grants 10
- Events and Experiences 11
- Awards 12
- Products and Branding Opportunities 13
- Digital Media 16

EDUCATIONAL GRANTS

Get unmatched visibility with key decision-makers beyond the Exhibit Hall. The ACFAS Annual Scientific Conference offers a variety of educational grant sponsorships that reach a targeted audience based on specific areas of interest. Sponsors will receive recognition on the ACFAS website, on the mobile app, and in attendee emails.

Pre-Conference Clinical Workshop

\$28,500 half-day workshop/\$50,000 full-day workshop

Preceding the Annual Conference, a full day of clinical workshops is offered. These popular CME courses offer surgeons a hands-on opportunity to learn about the latest and greatest surgical techniques. Sponsors will be requested to provide instrumentation and staff to conduct the workshop. In return, the sponsor of these workshops will receive recognition in a variety of formats – from the ACFAS website, conference app and in follow-up emails.

Residents Day

\$50,000

Residents Day offers engaging talks, career advice and networking opportunities to residents on Wednesday, January 31, 2024.

Residency Directors Forum

\$28,500

This complimentary and well-attended event brings together residency directors, faculty and program coordinators, fellowship directors and school deans for a half-day of learning and networking.

Keynote Lecture

\$10,000

Sponsorship recognition includes the opportunity to introduce the keynote speaker as well as recognition through on-site and digital promotion.

Hands-On Workshops

\$14,000 (attendance limited per session)

These popular 3 1/2 hour CME workshops fill up quickly and offer an intimate environment for attendees to learn one-on-one by performing advanced surgical techniques. Sponsor will be requested to provide instrumentation and staff to conduct the workshop. The sponsor will also be given the opportunity to deliver one non-CME webcast after ACFAS 2024 to all members.

Foot and Ankle Innovation Lab Option 1

\$15,000 per presentation

Host a non-CME surgical lab event designed exclusively by your team and held on the exhibit floor during peak hours when no educational sessions are occurring. Your speaker(s)/presenter(s) will be able to utilize your own equipment to demo and showcase attendees your latest products, technology, and surgical procedures. The enclosed room on the exhibit floor will provide privacy for your presentation and seating will be set for 50. Your team will have the opportunity to distribute materials to attendees as they enter/leave (or on their seats). A table will be provided outside the room for your team if they would like to check-in attendees prior to entrance.

Foot and Ankle Innovation Lab Option 2

\$15,000 for one presentation,

\$5,000 for each additional presentation

Already have a mobile lab? You now have the opportunity to have your own mobile lab conveniently located on the ACFAS exhibit floor for your team's lab presentations. Pricing is \$10,000 for exhibit floor placement and one (1) presentation listing.
